Registration Will Open Thursday 6 December for the National Genealogical Society's 2019 Family History Conference

FALLS CHURCH, VA, 30 NOVEMBER 2018—**Registration will open 6 December, Thursday, at 10:00 a.m. ET** for the National Genealogical Society's forty-first annual [Family History Conference](#), Journey of Discovery, which will be held 8–11 May 2019 at the St. Charles Convention Center in St. Charles, Missouri.

NGS originally announced it would open registration on Saturday, 1 December, but made the decision to delay the opening in order to provide full staff and technology support for our first conference registration on the new NGS website.

For NGS members visiting the new NGS website for the first time, you will need to reset your password on the new website to login and register. You may also update your profile in "My Account" in advance of registering. You will find "My Account" in the NGS Store, on the left side navigation menu.

NGS suggests non-members registering for the conference should [create a guest profile](#) prior to registering to accelerate their purchase. Also, visiting the new [NGS website](#) in advance offers the opportunity to explore the new features of the website, and the conference discount available to NGS members.

If you have any questions, please contact NGS Registrar Courtney Holmes at registration@ngsgenealogy.org or Conference Manager Erin Shifflett at conference@ngsgenealogy.org.

Founded in 1903, the [National Genealogical Society](#) is dedicated to genealogical education, exemplary standards of research, and the preservation of genealogical records. The Falls Church, Virginia, based nonprofit is the premier national society for everyone, from the beginner to the most advanced family historian, seeking excellence in publications, educational offerings, and guidance in research. It also offers many opportunities to interact with other genealogists.
